Production of Cement

3153. SHRI IQBAL SINGH: Will the PRIME MINISTER be pleased to state:

(a) whether the production of cement has increased during the year 1993-94 as compared to the production in 1992-93 in the country;

(b) if so, the details thereof, plantwise;

(c) if not, the reasons therefor;

(d) the target fixed for 1993-94 and 1992-93 and the achievements made in this respect; and

(e) what steps are being taken by Government to increase production of cement in the country?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) to (c) Production of cement has increased from 54.08 million tonnes in 1992-93 to 57.96 million tonnes in 1993-94. A statement indicating the plantwise production of large cement plants is annexed (*See* below). The details of production of mini cement plants are not maintained Centrally.

(d) The details of target and achievements during 1992-93 and 1993-94 are as under:—

(In million tonnes)

Year	Target	Actual Production
1992-93	56.50	54.08
1993-94	60.00	57.96

(e) The cement industry has been delicensed. Government is providing infrastructural support to the Cement Industry, such as supply of coal, allotment of railway wagons, etc. on priority basis. Two World Bank Lines of Credit have been procured for setting up of a number of modern cement plants and in increasing the installed capacity. Concessional excise duty is levied on mini cement plants. An innovative project of Human Resource Development for Cement Industry has been started.

Statement

Plant-Wise Production of Cement in the large Sector
